Resource Information

URL: <http://dialysispatients.org/>

Proper Citation: Dialysis Patient Citizens (RRID:SCR_003981)

Description: A nationwide, non-profit, patient-led organization with membership open only to dialysis and pre-dialysis patients and their families working to improve the quality of life for all dialysis patients through education and advocacy. They are dedicated to developing awareness of dialysis issues, advocating for dialysis patients, promoting favorable public policy and improving the partnership between patients and caregivers. Their policies and their mission are guided solely by their membership.
