RatMine

RRID:SCR_004190

Type: Tool

Proper Citation

RatMine (RRID:SCR_004190)

Resource Information

URL: <http://ratmine.mcw.edu/ratmine/begin.do>

Proper Citation: RatMine (RRID:SCR_004190)

Description: RatMine integrates data from RGD, UniProtKB, NCBI, KEGG and other sources to form a web-based data warehouse and tool set tailored for rat based data research. Search RatMine by entering names, identifiers, or keywords for genes, proteins, pathways, papers, etc. Additionally, we support programmatic access to our data through Application Programming Interface - choose from Perl or Java API. RatMine is a data warehouse that integrates many diverse biological data sets. The main focus is R. norvegicus genomics and proteomics. By integrating such data into one place it is possible to construct queries across domains of biological knowledge. The RatMine user interface is designed to go beyond simply looking up an identifier and viewing a report page. Some of the features include: * Quick Search is available just like on other sites, type in an identifier to see a report page. * Template queries are "canned" queries that provide a simple form to perform a specific task. You can create your own templates if you log in. * Lists lets you operate on whole lists of data at once. You can upload lists or save them from results tables. We also create useful public lists for everyone to use. * MyMine lets you create an account to save your own queries, bags and templates, as well as marking public templates as favorites.

Resource Type: web service, data or information resource, analysis service resource, service resource, data access protocol, database, production service resource, data analysis service, software resource

Keywords: disease, interaction, proteins, single nucleotide, gene ontology, mammalian phenotype, publication, genomics, pathway, quantitative trait loci, bio.tools

Funding:**Resource Name:** RatMine**Resource ID:** SCR_004190**Alternate IDs:** biotools:RatMine, nlx_21635**Alternate URLs:** <https://bio.tools/RatMine>**Record Creation Time:** 20220129T080223+0000**Record Last Update:** 20250509T055643+0000

Ratings and Alerts

No rating or validation information has been found for RatMine.

No alerts have been found for RatMine.

Data and Source Information
