Data.gov

RRID:SCR_004712

Type: Tool

Proper Citation

Data.gov (RRID:SCR_004712)

Resource Information

URL: <http://www.data.gov/>

Proper Citation: Data.gov (RRID:SCR_004712)

Description: Catalog of data sets that are generated and held by the Federal Government, including data, tools and resources to conduct research, develop web and mobile applications, design data visualizations, etc. Data.gov provides descriptions of the Federal datasets (metadata), information about how to access the datasets, and tools that leverage government datasets. The data catalogs will continue to grow as datasets are added. Federal, Executive Branch data are included in the first version of Data.gov.

Abbreviations: Data.gov

Synonyms: Data.gov Catalogs

Resource Type: data or information resource, catalog, database

Keywords: communication, transportation, culture, ocean, disease, health, agriculture, atate, economics, business, climatology, atmosphere, politics, culture, ecology, biology, data archive, earth science, social science, education, energy, finance, geospatial, global development, skill, job, public safety, science, research, weather, city, consumer, county, ethics, law, manufacturing, data set

Funding: United States Government

Availability: Public

Resource Name: Data.gov

Resource ID: SCR_004712

Alternate IDs: nlx_70953

Alternate URLs: <https://explore.data.gov/>, <http://catalog.data.gov/dataset>

Old URLs: <http://www.data.gov/catalog>

Record Creation Time: 20220129T080226+0000

Record Last Update: 20250426T055733+0000

Ratings and Alerts

No rating or validation information has been found for Data.gov.

No alerts have been found for Data.gov.
