Proper Citation: Patent Abstracts (RRID:SCR_004839)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented September 6, 2016. Patent Abstracts is a set of biology-related abstracts of patent applications derived from data products of the European Patent Office (EPO). Patent documents from Europe (EP), USA (US) and World (WO) are included. Abstracts are extracted from the ESPACE ACCESS and GlobalPat CD/DVD products according to the International Patent Classification (IPC) classes covering biology topics. The data are transformed to a common XML format and combined into one SRS dataset.

Abbreviations: PATABS

Resource Type: data or information resource, database

Keywords: gold standard
