MARTA

RRID:SCR_004850

Type: Tool

Proper Citation

MARTA (RRID:SCR_004850)

Resource Information

URL: <http://bergelson.uchicago.edu/software/marta>

Proper Citation: MARTA (RRID:SCR_004850)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on January 11, 2023. Java-based software that blasts each sequence that you provide it, and then looks for a consensus taxon among the top-hits returned from blast. MARTA uses NCBI's megablast program to align your sequence(s) against a local installation of blast. Then MARTA uses GenInfo Identifiers from the top-hits to retrieve taxonomic information from NCBI's taxonomy database. Using your thresholds/cutoffs, MARTA "votes" to find a taxonomic assignment by consensus; MARTA might resolve some sequences to species level, and others to kingdom or to no level, depending on the taxonomic information held within your tag or sequence.

Abbreviations: MARTA

Synonyms: Metagenomic AND rDNA Taxonomic Assignment

Resource Type: software resource

Keywords: taxonomy, java, metagenome, rdna, taxonomic assignment

Funding:

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: MARTA

Resource ID: SCR_004850

Alternate IDs: OMICS_01454

Record Creation Time: 20220129T080226+0000

Record Last Update: 20250410T065212+0000

Ratings and Alerts

No rating or validation information has been found for MARTA.

No alerts have been found for MARTA.
