# GoBean - a Java application for Gene Ontology enrichment analysis

RRID:SCR 005808

Type: Tool

## **Proper Citation**

GoBean - a Java application for Gene Ontology enrichment analysis (RRID:SCR\_005808)

## **Resource Information**

#### **URL:**

http://ftp.geneontology.org/pub/go/www/GO.tools\_by\_type.term\_enrichment.shtml#gobean

**Proper Citation:** GoBean - a Java application for Gene Ontology enrichment analysis (RRID:SCR\_005808)

**Description:** GoBean is a Java application for gene ontology enrichment analysis. It utilizes the NetBeans platform framework. Features \* Graphical comparison of multiple enrichment analysis results \* Versatile filter facility for focused analysis of enrichment results \* Effective exploitation of the graphical/hierarchical structure of GO \* Evidence code based association filtering \* Supports local data files such as the ontology obo file and gene association files \* Supports late enrichment methods and multiple testing corrections \* Built-in ID conversion for common species using Ensembl biomart service Platform: Windows compatible, Mac OS X compatible, Linux compatible

Abbreviations: GoBean

**Resource Type:** software resource, data processing software, software application

**Defining Citation: PMID:22360891** 

**Keywords:** java, gene ontology, ontology, gene association, analysis, enrichment, term

enrichment

**Funding:** 

Availability: Free for academic use

Resource Name: GoBean - a Java application for Gene Ontology enrichment analysis

Resource ID: SCR\_005808

Alternate IDs: nlx\_149296

Old URLs: http://neon.gachon.ac.kr/GoBean/

**Record Creation Time:** 20220129T080232+0000

**Record Last Update:** 20250422T055255+0000

## Ratings and Alerts

No rating or validation information has been found for GoBean - a Java application for Gene Ontology enrichment analysis.

No alerts have been found for GoBean - a Java application for Gene Ontology enrichment analysis.
