Proper Citation

Protein Subcellular Location Image Database (RRID:SCR_008663)

Resource Information

URL: <http://pslid.org/>

Proper Citation: Protein Subcellular Location Image Database (RRID:SCR_008663)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented August 23, 2017.

Annotated database of fluorescence microscope images depicting subcellular location proteins with two interfaces: a text and image content search interface, and a graphical interface for exploring location patterns grouped into Subcellular Location Trees. The annotations in PSLID provide a description of sample preparation and fluorescence microscope imaging.

Abbreviations: PSLID

Synonyms: PSLID - Protein Subcellular Location Image Database, Protein Subcellular Location Image Database

Resource Type: data or information resource, image analysis service, service resource, data repository, data set, database, storage service resource

Keywords: protein, structure, subcellular, organelle, image, fluorescence microscope, annotation, classify, rank, cluster, subcellular localization, 3d spatial image, 2d spatial image, micrograph, content-based retrieval, green fluorescent protein

Funding: Merck Company Foundation ;
NIGMS GM075205;
NCI R33 CA83219;
NSF MCB-8920118

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Protein Subcellular Location Image Database

Resource ID: SCR_008663

Alternate IDs: nif-0000-33313

Record Creation Time: 20220129T080248+0000

Record Last Update: 20250412T055309+0000

Ratings and Alerts

No rating or validation information has been found for Protein Subcellular Location Image Database.

No alerts have been found for Protein Subcellular Location Image Database.
