Proper Citation: Udall Center of Excellence in Parkinson's Disease Research (RRID:SCR_008778)

Description: A research program associated with bringing together researchers from various disciplines to study the genetic and molecular basis of Parkinson's disease. The program focuses on epidemiological and longitudinal studies of Parkinson's disease, dementia with Lewy bodies, and aging and dementia. It also provides clinical materials for other research projects. This program provides faculty research funds, invited speaker seminar series, sponsorship of movement disorder fellowships, pilot research grants, and support for faculty travel to promote intra-institutional collaborations.

Synonyms: Center of Excellence in Parkinson's Disease Research, Mayo Parkinson's Disease Center of Excellence

Resource Type: portal, disease-related portal, data or information resource, topical portal

Keywords: parkinson's disease, genetics, dementia, aging, research funding, pilot research, movement disorders, funding resource

Related Condition: Parkinson's Disease

Funding:

Resource Name: Udall Center of Excellence in Parkinson's Disease Research

Resource ID: SCR_008778

Alternate IDs: nlx_144145

Record Creation Time: 20220129T080249+0000

Record Last Update: 20250522T060515+0000

Ratings and Alerts

No rating or validation information has been found for Udall Center of Excellence in Parkinson's Disease Research.

No alerts have been found for Udall Center of Excellence in Parkinson's Disease Research.
