UT Southwestern ADC Brain Tissue Donation Program

RRID:SCR_008837

Type: Tool

Proper Citation

UT Southwestern ADC Brain Tissue Donation Program (RRID:SCR_008837)

Resource Information

URL: <http://www.utsouthwestern.edu/education/medical-school/departments/neurology/programs/alzheimers-disease-center/brain-tissue-donation-program.html>

Proper Citation: UT Southwestern ADC Brain Tissue Donation Program (RRID:SCR_008837)

Description: Brain tissue donation program at the UT Southwestern Memory Clinic that aims to utilize these contributions for research on Alzheimer's. Diagnosis of Alzheimer's disease or other dementias are made through autopsy, the results of which are available to family members.

Abbreviations: UTSW Brain Tissue Donation Program, UTSW ADC Brain Tissue Donation Program

Resource Type: material resource, biomaterial supply resource, brain bank, tissue bank

Keywords: brain tissue, tissue, brain, alzheimer's disease, late adult human, mild cognitive impairment, dementia, frontotemporal dementia, autopsy, research

Related Condition: Alzheimer's disease, Mild Cognitive Impairment, Aging, Dementia, Frontotemporal Dementia

Funding:

Availability: Private

Resource Name: UT Southwestern ADC Brain Tissue Donation Program

Resource ID: SCR_008837

Alternate IDs: nlx_144639

Record Creation Time: 20220129T080249+0000

Record Last Update: 20250521T061258+0000

Ratings and Alerts

No rating or validation information has been found for UT Southwestern ADC Brain Tissue Donation Program.

No alerts have been found for UT Southwestern ADC Brain Tissue Donation Program.
