Resource Information

URL: https://www.conn-toolbox.org

Proper Citation: CONN (RRID:SCR_009550)

Description: Matlab based cross platform software package for computation, display, and analysis of functional connectivity in fMRI (fcMRI). Used for resting state data (rsfMRI) as well as task related designs. Covers pipeline from raw fMRI data to hypothesis testing.

Abbreviations: CONN

Synonyms: CONN toolbox, CONN - functional connectivity toolbox, Connectivity Toolbox (CONN)

Resource Type: image analysis software, software application, software toolkit, software resource, data processing software

Defining Citation: PMID:22642651, PMID:21889994

Keywords: fmri functional connectivity, resting state data, seed-based correlations, ROI-to-ROI graph analyses, group ICA, masked ICA, generalized PPI, ALFF, ICC, GCOR, LCOR,

Availability: Free, Available for download, Freely available

Resource Name: CONN

Resource ID: SCR_009550

Alternate IDs: nlx_155730

Alternate URLs: www.nitrc.org/projects/conn
Ratings and Alerts

No rating or validation information has been found for CONN.

No alerts have been found for CONN.
