Proper Citation: Joslin Diabetes Center Advanced Microscopy Core Facility

(RRID:SCR_009875)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on October 27,2023. Core that provides services for performing specific morphological procedures, providing training and access to equipment, maintaining the specialized microscopes, and giving advice and interpretation.

Resource Type: core facility, access service resource, service resource

Keywords: morphology service, training service, microscope maintanence,

Related Condition: Diabetes

Funding Agency: NIDDK

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Joslin Diabetes Center Advanced Microscopy Core Facility

Resource ID: SCR_009875

Alternate IDs: nlx 156345
