Proper Citation: UPR Center for Drug Information and Research (RRID:SCR_010121)

Description: The CDIR serves as the focal point for drug information, research, education, and service within the University of Puerto Rico - School of Pharmacy. The CDIR is the first academic-based research center in Puerto Rico solely dedicated to provide answers to drug related information inquiries, health service research support consultations, and the development, implementation and evaluation of pharmacy educational programs. The mission of the CDIR is to improve drug therapy in Puerto Rico through drug information services, and educational, clinical and novel research initiatives.
