Proper Citation: MUSC DNA Microarray Database (RRID:SCR_010977)

Description: Database that is a repository for DNA microarray data generated by MUSC investigators as well as researchers in the global research community.

Abbreviations: microArrayDB, ??ArrayDB

Synonyms: MUSC DNA Microarray Database and Project Management System, Medical University of South Carolina DNA Microarray Project Management System and the MUSC DNA Microarray Database, MUSC DNA Microarray Project Management System and MUSC DNA Microarray Database, ??ArrayDB, Medical University of South Carolina DNA Microarray Database

Resource Type: database, data repository, data or information resource, storage service resource, service resource

Defining Citation: [PMID:14668234](#)

Keywords: gene expression, dna microarray

Funding: University Research Resource Foundation ;
NCI R24CA095841;
NCRR P20RR016434

Availability: Public, The community can contribute to this resource

Resource Name: MUSC DNA Microarray Database

Resource ID: SCR_010977

Alternate IDs: OMICS_00868

Record Creation Time: 20220129T080301+0000

Record Last Update: 20250417T065403+0000
