**Proper Citation:** University of Rochester Medical Center Neurobiology and Anatomy (RRID:SCR\_012705)

**Description:** The Department of Neurobiology and Anatomy is strongly committed to its major academic missions of research and education. Teaching and leadership roles in both graduate and medical education remain enduring commitments today, as they have been since the inception of the medical campus in the 1920s. This is matched by our commitment to research on the structure and function of the nervous system.
