Resource Information

URL: http://nidm.nidash.org/

Proper Citation: Neuroimaging Data Model (RRID:SCR_013667)

Description: Collection of specification documents that define extensions the the W3C PROV standard for the domain of human brain mapping. NIDM uses provenance information as a means to link components from different stages of the scientific research process from dataset descriptors and computational workflow, to derived data and publication.

Abbreviations: NIDM

Resource Type: narrative resource, standard specification, data or information resource, data set

Keywords: data sharing, neuroimaging, fmri, mri, dti, semantic web

Availability: Available to the research community

Resource Name: Neuroimaging Data Model

Resource ID: SCR_013667

Alternate URLS: https://github.com/incf-nidash/nidm

Ratings and Alerts

No rating or validation information has been found for Neuroimaging Data Model.

No alerts have been found for Neuroimaging Data Model.
Usage and Citation Metrics

We found 8 mentions in open access literature.
