NURSA Transcriptomine

RRID:SCR_013746

Type: Tool

Proper Citation

NURSA Transcriptomine (RRID:SCR_013746)

Resource Information

URL: <https://www.nursa.org/nursa/transcriptomine/index.jsf>

Proper Citation: NURSA Transcriptomine (RRID:SCR_013746)

Description: A database of tissue specific nuclear receptor transcriptomes based on annotated published genome wide transcriptional profiling experiments in the field of nuclear receptor signaling. Queries can include single and multiple genes, Gene Ontology terms, disease terms, and uploaded custom gene lists.

Synonyms: Transcriptomine

Resource Type: data or information resource, database

Defining Citation: [PMID:22786849](https://pubmed.ncbi.nlm.nih.gov/22786849/)

Keywords: nuclear receptor signaling, transcriptome, database, nuclear receptors, transcription, genome-wide expression profiling, expression microarray

Funding: NIDDK NURSA U19DK-62434;
NCI Cancer Center P30CA125123

Availability: Public

Resource Name: NURSA Transcriptomine

Resource ID: SCR_013746

Alternate URLs: <https://www.nursa.org/nursa/tools/index.jsf>

Record Creation Time: 20220129T080317+0000

Record Last Update: 20250404T061034+0000

Ratings and Alerts

No rating or validation information has been found for NURSA Transcriptomine.

No alerts have been found for NURSA Transcriptomine.
