IPython Notebook

RRID:SCR_013984

Type: Tool

Proper Citation

IPython Notebook (RRID:SCR_013984)

Resource Information

URL: <http://ipython.org/notebook.html>

Proper Citation: IPython Notebook (RRID:SCR_013984)

Description: A web application and interactive computational environment where users can combine code execution, rich text, mathematics, plots, and rich media. IPython Notebook consists of two parts, the web application and plain texts. The IPython Notebook web application is used for interactive authoring of literate computations, in which explanatory text, mathematics, computations, and rich media output may be combined. Input and output are stored in persistent cells that may be edited in-place. The plain text documents, called notebooks, record and distribute the results of the rich computations. Saved files in the notebook can be put under version control and shared with colleagues.

Resource Type: software resource, web application

Keywords: web application, computational environment, interactive, Python, code

Funding: Microsoft ;
Alfred P. Sloan Foundation ;
Rackspace

Availability: Free, Public

Resource Name: IPython Notebook

Resource ID: SCR_013984

Record Creation Time: 20220129T080318+0000

Record Last Update: 20250422T055750+0000

Ratings and Alerts

No rating or validation information has been found for IPython Notebook.

No alerts have been found for IPython Notebook.
