# 7T Structural MRI scans ATAG

RRID:SCR\_014084

Type: Tool

### **Proper Citation**

7T Structural MRI scans ATAG (RRID:SCR\_014084)

#### Resource Information

URL: http://www.nitrc.org/projects/atag\_mri\_scans/

**Proper Citation:** 7T Structural MRI scans ATAG (RRID:SCR\_014084)

**Description:** Data sets from the atlasing of the basal ganglia (ATAG) consortium, which provides ultra-high resolution 7Tesla (T) magnetic resonance imaging (MRI) scans from young, middle-aged, and elderly participants. They include whole-brain and reduced field-of-view MP2RAGE and T2 scans with ultra-high resolution at a sub millimeter scale. The data can be used to develop new algorithms that help building new high-resolution atlases both in the basic and clinical neurosciences. They can also be used to inform the exact positioning of deep-brain electrodes relevant in patients with Parkinsons disease and neuropsychiatric diseases.

Resource Type: data set, atlas, data or information resource

**Keywords:** 7t mri, data set, atlas, basal ganglia, structural mri scan, brain, human brain, probabilistic atlas

Availability: Available for download

Resource Name: 7T Structural MRI scans ATAG

Resource ID: SCR\_014084

## Ratings and Alerts

No rating or validation information has been found for 7T Structural MRI scans ATAG.

No alerts have been found for 7T Structural MRI scans ATAG.

### Data and Source Information

Source: SciCrunch Registry

## **Usage and Citation Metrics**

We found 6 mentions in open access literature.

**Listed below are recent publications.** The full list is available at FDI Lab - SciCrunch.org.
