Proper Citation: Hipposeq (RRID:SCR_015730)

Description: Database of RNA-seq gene expression in hippocampal principal neurons. Hipposeq can analyze and visualize RNA-seq data for all excitatory cell populations in the hippocampus at multiple levels of granularity.

Resource Type: Resource, data analysis software, data processing software, database, software application, sequence analysis software, web application, software resource, data or information resource

References: PMID:27113915

Keywords: rna seq, gene expression, sequencing, hippocampus, principal neuron

Parent Organization: Howard Hughes Medical Institute, Janelia Research

Funding Agency: Howard Hughes Medical Institute

Availability: Freely available

Website Status: Last checked up

Resource Name: Hipposeq

Resource ID: SCR_015730

Ratings and Alerts
No rating or validation information has been found for Hipposeq.
