Concavity (RRID:SCR_016063)

Resource Information

URL: http://compbio.cs.princeton.edu/concavity/

Description: Software for predicting protein ligand binding sites that integrate evolutionary sequence conservation estimates with structure-based methods for identifying protein surface cavities. Used in predicting catalytic sites and drug binding pockets.

Resource Name: Concavity

Proper Citation: Concavity (RRID:SCR_016063)

Resource Type: Resource, software resource, software toolkit, software application

Keywords: predict, protein, ligand, binding, site, catalytic, drug, algorithm

Resource ID: SCR_016063

Related resources: Princeton University; New Jersey; USA

References: PMID:19997483

Availability: Free, Available for download

Website Status: Last checked up
