BVA import/export EEGLAB plugin

RRID:SCR_016333

Type: Tool

Proper Citation

BVA import/export EEGLAB plugin (RRID:SCR_016333)

Resource Information

URL: <https://sourceforge.net/projects/bva-io/>

Proper Citation: BVA import/export EEGLAB plugin (RRID:SCR_016333)

Description: Software package for interfacing the Brain Vision Analyser data files (load/save) for ongoing development of Matlab routines . This package is also compatible with the EEGLAB software, and may be uncompressed in the plugin folder of this software.

Abbreviations: bva-io

Synonyms: Brain Vision Analyser

Resource Type: software toolkit, software application, software resource

Keywords: interfacing, brain, vision, analyser, data, file, load, save, Matlab, routine, compatible, EEGLAB

Funding:

Availability: Free, Available for download, Freely available

Resource Name: BVA import/export EEGLAB plugin

Resource ID: SCR_016333

License: Open source

Record Creation Time: 20220129T080330+0000

Record Last Update: 20250412T060011+0000

Ratings and Alerts

No rating or validation information has been found for BVA import/export EEGLAB plugin.

No alerts have been found for BVA import/export EEGLAB plugin.
