University of Massachusetts Amherst Genomics Resource Laboratory Core Facility

RRID:SCR_017907 Type: Tool

Proper Citation

University of Massachusetts Amherst Genomics Resource Laboratory Core Facility (RRID:SCR_017907)

Resource Information

URL: http://www.umass.edu/ials/genomics

Proper Citation: University of Massachusetts Amherst Genomics Resource Laboratory Core Facility (RRID:SCR_017907)

Description: Core provides services and advanced instrumentation support for nucleic acid (DNA and RNA) analysis, high-throughput next-generation sequencing, including solutions for sample processing such as nucleic-acid isolation, nucleic-acid quantitative and qualitative analysis, NGS library preparation, quantitative-PCR analysis, etc. Provides sample processing and library preparation such as whole genome sequencing, shotgun metagenomics, metatranscriptomics, targeted amplicon sequencing, RNA-Seq, ChIP-Seq, Exome Sequencing, Methyl-seq, Single Cell Genomics, etc. Facility accepts samples and will perform requested analysis. Offers training to users to conduct experimentation.

Abbreviations: GRL

Synonyms: Genomics Resource Laboratory

Resource Type: core facility, service resource, access service resource

Keywords: ABRF

Funding:

Availability: Open

Resource Name: University of Massachusetts Amherst Genomics Resource Laboratory

Core Facility

Resource ID: SCR_017907

Alternate IDs: ABRF_789

Record Creation Time: 20220129T080337+0000

Record Last Update: 20250502T060459+0000

Ratings and Alerts

No rating or validation information has been found for University of Massachusetts Amherst Genomics Resource Laboratory Core Facility.

No alerts have been found for University of Massachusetts Amherst Genomics Resource Laboratory Core Facility.

Data and Source Information
