University of Puerto Rico Caribbean Primate Research Center

RRID:SCR_021920
Type: Tool

Proper Citation

University of Puerto Rico Caribbean Primate Research Center (RRID:SCR_021920)

Resource Information

URL: http://cprc.rcm.upr.edu/?q=node/117

Proper Citation: University of Puerto Rico Caribbean Primate Research Center (RRID:SCR_021920)

Description: Facilitates supply of conventional and specific pathogen free nonhuman primates and biological samples. Priority is given to NIH-funded investigators in universities, NIH Intramural Program, and contractors working on behalf of researchers conducting experiments under NIH-funded programs. Non-NIH-funded investigators may still be considered depending on resource availability.To request for CPRC animals, authorized representative of institution will need to submit Animal Allocation Request form.

Abbreviations: CPRC

Synonyms: University of Puerto Rico Caribbean Primate Research Center Resource Distribution Core

Resource Type: material resource, organism supplier, biomaterial supply resource

Keywords: CPRC Resource Distribution, rhesus macaques, nonhuman primates supply, biological samples supply, resource distribution, Conventional and Specific Pathogen Free nonhuman primates

Funding:

Availability: Restricted

Resource Name: University of Puerto Rico Caribbean Primate Research Center

Resource ID: SCR_021920

Record Creation Time: 20220421T050137+0000

Record Last Update: 20250527T055808+0000

Ratings and Alerts

No rating or validation information has been found for University of Puerto Rico Caribbean Primate Research Center.

No alerts have been found for University of Puerto Rico Caribbean Primate Research Center.
