Proper Citation: University of Pennsylvania Animal Model Core Facility (RRID:SCR_022435)

Description: Supports discovery to invention to innovation in medical translation. Provides animal model development to enhance scientific rigor during in vivo studies in experimental or naturally occurring disease models. Studies can start on small scale leading towards pivotal non-clinical IND/IDE-enabling trials in support of FDA or OUS-FDA submissions. Core hosts PIs, trainees and sponsors during clinical procedures to support and enrich their experience in cross functional team setting.
