University of Ottawa Behaviour and Physiology Core Facility

RRID:SCR_022882 Type: Tool

Proper Citation

University of Ottawa Behaviour and Physiology Core Facility (RRID:SCR_022882)

Resource Information

URL: https://www2.uottawa.ca/research-innovation/animal-behaviour-core

Proper Citation: University of Ottawa Behaviour and Physiology Core Facility (RRID:SCR_022882)

Description: Core provides access to state-of-the-art rodent behavioural testing equipment in facility optimized for behavioural testing. Provides expert assistance in project development, test design and execution, data analysis and interpretation, and novel test development.

Synonyms: University of Ottawa Behaviour and Physiology Core

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF, Animal Behavior Center, Core facility, Behavioral analysis service, Mouse behavior testing, rat behavior testing

Funding:

Availability: Restricted

Resource Name: University of Ottawa Behaviour and Physiology Core Facility

Resource ID: SCR_022882

Record Creation Time: 20221014T050208+0000

Record Last Update: 20250519T205336+0000

Ratings and Alerts

No rating or validation information has been found for University of Ottawa Behaviour and Physiology Core Facility.

No alerts have been found for University of Ottawa Behaviour and Physiology Core Facility.

Data and Source Information
