Stanford University School of Medicine Center for Innovation in In vivo Imaging Core Facility

RRID:SCR_023345

Type: Tool

Proper Citation

Stanford University School of Medicine Center for Innovation in In vivo Imaging Core Facility (RRID:SCR_023345)

Resource Information

URL: <https://med.stanford.edu/sci3>

Proper Citation: Stanford University School of Medicine Center for Innovation in In vivo Imaging Core Facility (RRID:SCR_023345)

Description: Small animal imaging service center. Instruments range from systems typically found in clinical setting, but scaled for rodent usage (such as MRI, PET, CT and ultrasound), optical systems for measuring bioluminescence, fluorescence, and Cherenkov light (IVIS, Ami, Lago and Maestro systems), new modalities (MPI and photoacoustic), as well as access to advanced image analysis software, computer workstations, and surgical preparation areas. Scientists are trained to use instruments independently and can schedule studies as needed.

Abbreviations: SCi3

Synonyms: Stanford Center for Innovation in In vivo Imaging (SCi3)

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, ABRF, small animal imaging, bioluminescence, fluorescence, Cherenkov light, image analysis

Funding:

Resource Name: Stanford University School of Medicine Center for Innovation in In vivo Imaging Core Facility

Resource ID: SCR_023345

Alternate IDs: ABRF_2493
