QUINT

RRID:SCR_023856

Type: Tool

Proper Citation

QUINT (RRID:SCR_023856)

Resource Information

URL: <https://quint-workflow.readthedocs.io/en/latest/QUINTintro.html>

Proper Citation: QUINT (RRID:SCR_023856)

Description: Software workflow includes suite of various software to form analysis pipeline of atlas-based quantification of labeled features in histological images from mouse or rat brain. This workflow also suggests and explains with instructional videos the way these software work together. Used for quantification and spatial analysis of labelling in series of rodent brain section images based on available 3D reference atlases.

Resource Type: data processing software, workflow software, software application, software resource

Defining Citation: [PMID:31849633](#)

Keywords: Allen Common Coordinate Framework, labelling quantification and spatial analysis, analysis pipeline of atlas based quantification of labeled features, histological images, mouse brain, rat brain, images, brain section images, 3D reference atlases,

Funding:

Availability: Free, Freely available

Resource Name: QUINT

Resource ID: SCR_023856

Record Creation Time: 20230721T050220+0000

Record Last Update: 20250420T015255+0000

Ratings and Alerts

No rating or validation information has been found for QUINT.

No alerts have been found for QUINT.
