# **Behavioral Observation Research Interactive Software**

RRID:SCR\_025700 Type: Tool

### **Proper Citation**

Behavioral Observation Research Interactive Software (RRID:SCR\_025700)

### **Resource Information**

URL: https://www.boris.unito.it/

**Proper Citation:** Behavioral Observation Research Interactive Software (RRID:SCR\_025700)

**Description:** Multiplatform standalone program that allows user-specific coding environment to be set for computer-based review of previously recorded videos or live observations. Allows project-based ethogram to be defined that can then be shared with collaborators, or can be imported or modified. Event logging software for video/audio coding and live observations. BORIS is a free and open-source software available for GNU/Linux, Windows and MacOS.

Abbreviations: BORIS

Resource Type: software resource, software application, source code, standalone software

Defining Citation: DOI:10.1111/2041-210X.12584

**Keywords:** Event logging software, recorded videos, live observations, video coding, audio coding, behavioural sciences,

#### Funding:

Availability: Free, Available for download, Freely available

Resource Name: Behavioral Observation Research Interactive Software

Resource ID: SCR\_025700

Alternate URLs: https://github.com/olivierfriard/BORIS

License: GNU GPL v3

**Record Creation Time:** 20240907T053256+0000

Record Last Update: 20250513T062624+0000

### **Ratings and Alerts**

No rating or validation information has been found for Behavioral Observation Research Interactive Software.

No alerts have been found for Behavioral Observation Research Interactive Software.

### Data and Source Information

Source: SciCrunch Registry

### **Usage and Citation Metrics**

We found 3 mentions in open access literature.

Listed below are recent publications. The full list is available at FDI Lab - SciCrunch.org.
