Proper Citation: UiT The Arctic University of Norway (RRID:SCR_025717)

Description: State University in Norway and the northernmost university. Located in the city of Tromsø, Norway. The main focus of the university is on auroral light research, space science, fishery science, biotechnology, linguistics, multicultural societies, Saami culture, telemedicine, epidemiology and spectrum of Arctic research projects. The close vicinity of the Norwegian Polar Institute, the Norwegian Institute of Marine Research and the Polar Environmental Centre gives Tromsø added weight and importance as international centre for Arctic research.
